MORGAN BREEDERS CUP RULES

• The certificate qualifies you to compete in a class of 3 year old park harness horses at the Morgan Gold Cup horse show. You must declare your desire to participate by the closing date of entries for the show.

- Any 3 year old Morgan is eligible to compete for the class. The entry does not have to be sired by a stallion participating in the stallion service auction. Eligibility is determined by certificate. A certificate is owned by the purchaser of a stallion service or by the stallion service provider. **The owner's name on the certificate must match the owner's name on the registration of the horse entered in the class.**
- Certificates are good for only one year. The certificate must be presented in hard copy prior to the competition and will not be reissued, do not lose your certificate.
- This certificate may only be transferred if a voucher owner gives written notice that a certificate is sold with a horse. At that time, the certificate entry becomes applicable for that horse only. A copy of the transfer will be mailed to the new owner and must be presented along with the original certificate for entry into the class. To transfer the certificate with a sold horse, contact the Breeders Cup secretary for the proper transfer form.
